

Music

Certificate II in Music provides students with the foundation knowledge and skills required for entry into the music industry. Core units of competency in the programme include developing and updating industry knowledge, participating in work health and safety processes, and working effectively with others. The elective units in the programme allow students to specialise in an area of their interest, from preparing for performances, mixing sound in a broadcasting environment or repairing and maintaining audio equipment.

Certificate II in Music (CUA20620)
